

## What to Plant in December

Text version of this infographic of recommended vegetables for North, Central and South Florida in December

## UF/IFAS Florida Gardening Calendars

The Gardening Calendar publications on [Ask IFAS](#) give Florida gardeners a monthly guide for what to plant and do in their gardens and include links to useful gardening websites, all based on University of Florida research and expertise. Three different editions of the calendar provide specific tips for each of Florida's climate zones—**North**, **Central**, and **South**.
